

Hambden Township Park Board  
Regular Meeting  
June 19, 2017

Hambden Park Board met in regular session on June 19, 2017 at 6:00 p.m. in Hambden Township Hall. The following members were present: Mike Romans, Joyce Edelinsky, Linda Petkosek, Barry Bishop and Dan O'Reilly. Absent Eric Germovsek. Also present were Zachary Yoger along with his parents

### **EAGLE SCOUT PROJECT**

Zachary Yoger was present to discuss Eagle Scout projects that he and his brother Brad would like to do for the township. The process and several project options were discussed. The park board told Zachary that he and his brother need to prioritize what projects they would like to do. They would each have their own. At that point come back to the board and we will discuss further. In order to keep the projects on task they will communicate with Joyce and she will forward to the board if necessary.

### **MINUTES**

Motion to accept the May 8, 2017 minutes with corrections by Barry Bishop, second by Mike Romans. Under trail guide maps the sizes to be 2 @ 17 x 22 and 2 @ 8.5 x 11. Under New Play Equipment the price of the Tri Runner was \$\$12,538.00, with a discount of \$862.14, plus freight of \$818.42 bring the total to \$12,494.28. Motion carried.

### **OLD BUSINESS**

**A. Farmers Market** – Everything is running smoothly at this point.

**B. Bleachers** – bleachers arrived with damage to one of the planks. Reordered and received damaged again. Dave Williams was contacted at this point and we are awaiting the arrival of the third plank.

**C. Review trail map/trailhead info box** – The board reviewed the map. The red trail needs revised between fields 2 & 3. Some of the trees need to be removed. Add the east side parking, add resting benches and restrooms (adding comments regarding being seasonal). Also the yellow and green trails need removed behind ball field 3. There was much discussion on the size of the map that should be included in the trailhead info box. After looking at actual sizes it was decided that 11" x 17" would be more than sufficient. We will ask for rebids since the size changed.

**D. Play Equipment/TriRunner and 2 bay swings** – with the addition of the TriRunner the use zone area has to be increased. Presently the area is 36 x 48'. We need 30 x 30' for the TriRunner and 32 x 26' for the 2 bay swing bringing the total to 62 x 56'. The use zone area will have to be expanded to accommodate the play equipment.

**E. Review of Park Signs/trash receptacle signs** –Mike provided a detailed list of the signs on the pavilions, fences and recycle bins. He will review what is on the dugouts for the next meeting.

**F. 2017 Maintenance Projects Update** – the basketball backstops are being painted and nets replaced. We found the stencil for the fire lane striping. The concrete picnic tables need sealed along with the staining of the pavilions and benches in the common area. The handicap swing is in need of repair again. Since it is during the busy season it may be gone at least a month.

### **NEW BUSINESS**

**A. 2018 budget/items and projects to consider** – Laura needs our plans for the 2018 budget. Items to consider are Happy Landing Mat under the new swings, additional parking area, purchase additional 10 acres and tree planting.

The next regular meeting will be held on July 17, 2017 at 6:00 p.m. There being no further business to come before the board at this time motion by Barry Bishop, second by Dan O'Reilly to adjourn at 7:45 p.m.

Linda Petkosek, Secretary  
Hambden Park Board
