

Hambden Township Park Board
Regular Meeting
July 17, 2017

Hambden Park Board met in regular session on July 17, 2017 at 6:00 p.m. in Hambden Township Hall. The following members were present: Mike Romans, Joyce Edelinsky, Linda Petkosek, Barry Bishop and Dan O'Reilly. Absent Eric Germovsek. Also present were Zachary and Brad Yoger along with his parents.

EAGLE SCOUT PROJECT

The Eagle Scout projects were discussed. Zack will be doing handicap picnic tables and Brad will be doing a rain shelter instead of an information kiosk since we already have that contracted with someone else. Trustees Keith McClintock via speaker phone accepted the projects and will sign off on the necessary paperwork. Discussion took place on doing construction of the projects off site.

MINUTES

Motion to accept the June 19, 2017 minutes by Barry Bishop, second by Mike Romans. Motion carried.

OLD BUSINESS

A. Bleachers – The third plank that was ordered also arrived damaged. The plank has been reordered again. Maintenance is working on the assembly. The old swing set and bleachers (2 metal, 2 wood) need disposed of. A possible trade with Claridon Township for excess mulch will be investigated.

B. Trail map/trailhead info box – the info box will be the same price with the change of the size. \$480.00 by Chuck Arndt.

C. Review of Park Signs/trash receptacle signs –Mike updated the board on the park signs. He will obtain pricing and order new signs where needed.

D. 2017 Maintenance Projects Update – The benches have been stained and they have started on the pavilions. The basketball backstops have been painted and nets replaced. The west entrance fire lane striping is done and the handicap swing has been repaired.

Discussion on the sealing of the concrete picnic tables. The tables had been poorly sealed many years ago. Dan obtained information from Iron Man Supply in Newbury. This company has a sealant that is eco environmental friendly. 5 gallon buckets is \$389.00, 1 gallon \$96.00. We have 11 tables. There is also a cleaner for \$11.00 per gallon to prep the tables for sealing. Several questions were brought up. Dan will check with the company regarding the life expectancy of the product and ask if there would be any problems with their product if the tables had already been sealed once.

E. 2018 budget/items/projects to consider – our requests for the 2018 budget were given to Laura.

NEW BUSINESS

A. Park Portable Restrooms – Joyce received a complaint that the portable restrooms had not been cleaned and no toilet paper available. She contacted the company. It appears that they are short drivers. We may have to hold payment if situation is not rectified.

B. Park Inspection form update – Maintenance was asked to please make sure they were using the correct updated park inspection form. The restrooms are on the updated form. We will have better control over the situation as they will be checked weekly.

C. Community Day Picnic – Aug. 13th The Park Board will not have to work the snow cone/popcorn stand this year. Joyce will supervise students that need community service hours that volunteered to do this.

The next regular meeting will be held on August 14, 2017 at 6:00 p.m. There being no further business to come before the board at this time motion by Barry Bishop, second by Dan O'Reilly to adjourn at 7:15 p.m.

Linda Petkosek, Secretary
Hambden Park Board
