OLD BUSINESS

Concrete picnic tables sealing – Joyce reported that she followed up with Iron Man Supply regarding the ADA food safety aspect of the sealer they planned to use. They added the additional ADA information to the documentation after she talked to the company president.

The two quotes that were presented were from Iron Man Supply at \$1,620 and Mapledale Landscaping at \$1,162. A motion was made by Barry to go with Mapledale Landscaping with Mike second. Motion passed all in favor.

Otarma/KLA Risk Assessment: – Keith and Joyce will filled out the paperwork needed for the risk assessment and it was sent in.

Parking lot Drain: Keith called Tina at the day care center and was told her relative will be made aware of the problem created by putting concrete in the drain pipe entry area. Keith will need to follow up as nothing has been fixed yet.

Poured in Place Surfacing – Joyce tried to contact David Williams but found out that he has retired. She also contacted Chris Meyer and was told that by using lumber and stainless steel spikes, he can repair the lifting matting. He mentioned that he has seen this problem before. He provided her a quotation to repair 6 feet for \$200. The board members felt that additional repairs can be made as required by the township after we see how it is done. Barry put forth a motion to have the repair done, second by Dan. Motion carried all in favor.

NEW BUSINESS

Movie in the Park – Another movie in the park will be planned for a date in 2019, 2 weeks prior to the Community picnic. Joyce recommended that we compare prices next year as new companies have opened that can provide the same service.

Name Change – Joyce suggested a name change from Hambden Township Park Board to Hambden Township Parks and Recreation Board. She added that other townships have used this terminology for some time as it incorporates the many things that park boards do

There being no further business to come before the board motion by Barry, second by Dan to adjourn at 6:05 p.m.

Next Meeting - The next meeting will be held Tuesday October 16, 2018 at 6:00 p.m
