FAC No. _____

**HAMBDEN TOWNSHIP ZONING DEPARTMENT
APPLICATION FOR A ZONING CERTIFICATE**

The undersigned hereby applies for a zoning certificate for the following described use, said certificate to be issued by the township zoning inspector on the basis of the information contained within this application.

Name of Applicant _____

Phone No. _____

Address _____

Fax No. _____

E-mail _____

Name of Owner of Record _____

Phone No. _____

Address _____

Fax No. _____

E-mail _____

Address of Affected Lot _____

PPN# _____

- Attach documentation as to the authority to make application (e.g. deed, power of attorney, lease, or purchase agreement).
- Attach a legal description of the lot, as recorded with the Geauga County Recorder.

The zoning district in which the lot is located (Please check): Residential Commercial Mfg. Home Industrial Park

Provide a description of the **existing** use of the lot: _____

Provide a description of the **proposed** construction/use of the lot: _____

Provide a copy of the driveway culvert pipe permit issued by the appropriate governmental authority, if applicable.

Documentation shall be provided that the appropriate governmental agency has approved the sewage treatment facility to service the proposed use on the lot.

Provide a copy of the approval letter or permit, as applicable, from the Geauga Soil and Water Conservation District concerning the storm water management and erosion control plan. The "water management and sediment control" regulations set forth in Article XVI may apply and may be required as a part of the application.

The "riparian setback" regulations set forth in Article XV may apply and may be required as a part of the application.

Attach two (2) copies of a site plan or map, drawn to scale, with a north arrow and date showing the following information. A to scale site plan must be submitted with this application. The site plan must include property dimensions, size and location (setbacks) of all existing and proposed structures, and where applicable, septic tank and leech line locations. *When building a new residential or commercial building or structure, you must also turn in two sets of construction plans (a full set of construction plans, and a full set of construction plans on 11" X 17" paper), and official house number.

Dimensions (in feet) of all lot lines: N _____ S _____ E _____ W _____

Total Square Feet _____ Acreage _____
